§ 201.42 Custodial accounts for trust funds.

(a) *Payments for livestock are trust funds.* Each payment that a livestock buyer makes to a market agency selling on commission is a trust fund. Funds deposited in custodial accounts are also trust funds.

(b) *Custodial accounts for shippers' proceeds.* Every market agency engaged in selling livestock on a commission or agency basis shall establish and maintain a separate bank account designated as "Custodial Account for Shippers' Proceeds," or some similar identifying designation, to disclose that the depositor is acting as a fiduciary and that the funds in the account are trust funds.

(c) *Deposits in custodial accounts.* The market agency shall deposit in its custodial account before the close of the next business day (the next day on which banks are customarily open for business whether or not the market agency does business on that day) after livestock is sold (1) the proceeds from the sale of livestock that have been collected, and (2) an amount equal to the proceeds receivable from the sale of livestock that are due from (i) the market agency, (ii) any owner, officer, or employee of the market agency, and (iii) any buyer to whom the market agency has extended credit. The market agency shall thereafter deposit in the custodial account all proceeds collected until the account has been reimbursed in full, and shall, before the close of the seventh day following the sale of livestock, deposit an amount equal to all the remaining proceeds receivable whether or not the proceeds have been collected by the market agency.

(d) *Withdrawals from custodial accounts.* The custodial account for shippers' proceeds shall be drawn on only for payment of (1) the net proceeds to the consignor or shipper, or to any person that the market agency knows is entitled to payment, (2) to pay lawful

charges against the consignment of livestock which the market agency shall, in its capacity as agent, be required to pay, and (3) to obtain any sums due the market agency as compensation for its services.

(e) *Accounts and records.* Each market agency shall keep such accounts and records as will disclose at all times the handling of funds in such custodial accounts for shippers' proceeds. Accounts and records must at all times disclose the name of the consignors and the amount due and payable to each from funds in the custodial account for shippers' proceeds.

(f) *Insured banks.* Such custodial accounts for shippers' proceeds must be established and maintained in banks whose deposits are insured by the Federal Deposit Insurance Corporation.

(g) *Certificates of deposit and/or savings accounts.* Funds in a custodial account for shippers' proceeds may be maintained in an interest-bearing savings account and/or invested in one or more certificates of deposit, to the extent that such deposit or investment does not impair the ability of the market agency to meet its obligations to its consignors. The savings account must be properly designated as a party of the custodial account of the market agency in its fiduciary capacity as trustee of the custodial funds and maintained in the same bank as the custodial account. The certificates of deposit, as property of the custodial account, must be issued by the bank in which the custodial account is kept and must be made payable to the market agency in its fiduciary capacity as trustee of the custodial funds.

ACCOUNTS AND RECORDS

§ 201.43 Payment and accounting for livestock and live poultry.

(a) *Market agencies to make prompt accounting and transmittal of net proceeds.* Each market agency shall, before the close of the next business day following the sale of any livestock consigned to it for sale, transmit or deliver to the

consignor or shipper of the livestock, or the duly authorized agent, in the absence of any knowledge that any other person, or persons, has any interest in the livestock, the net proceeds received from the sale and a true written account of such sale, showing the number, weight, and price of each kind of animal sold, the date of sale, the commission, yardage, and other lawful charges, and such other facts as may be necessary to complete the account and show fully the true nature of the transaction.

(b) *Prompt payment for livestock and live poultry—terms and conditions.* (1) No packer, market agency, or dealer shall purchase livestock for which payment is made by a draft which is not a check, unless the seller expressly agrees in writing before the transaction that payment may be made by such a draft. (In cases of packers whose average annual purchases exceed \$500,000, and market agencies and dealers acting as agents for such packers, see also § 201.200).

(2)(i) No packer, market agency, or dealer purchasing livestock for cash and not on credit, whether for slaughter or not for slaughter, shall mail a check in payment for the livestock unless the check is placed in an envelope with proper first class postage prepaid and properly addressed to the seller or such person as he may direct, in a post office, letter box, or other receptacle regularly used for the deposit of mail for delivery, from which such envelope is scheduled to be collected (A) before the close of the next business day following the purchase of livestock and transfer of possession thereof, or (B) in the case of a purchase on a “carcass” or “grade and yield” basis, before the close of the first business day following determination of the purchase price.

(ii) No packer, market agency, or dealer purchasing livestock for slaughter, shall mail a check in payment for the livestock unless (A) the check is made available for actual delivery and the seller or his duly authorized representative is not present to receive payment, at the point of transfer of possession of such livestock, on or before the close of the next business day following the purchase of the livestock and transfer of possession thereof, or,

in the case of a purchase on a “carcass” or “grade and yield” basis, on or before the close of the first business day following determination of the purchase price; or unless (B) the seller expressly agrees in writing before the transaction that payment may be made by such mailing of a check.

(3) Any agreement referred to in paragraph (b) (1) or (2) of this section shall be disclosed in the records of any market agency or dealer selling such livestock, and in the records of the packer, market agency, or dealer purchasing such livestock, and retained by such person for such time as is required by any law, or by written notice served on such person by the Administrator, but not less than two calendar years from the date of expiration thereof.

(4) No packer, live poultry dealer, market agency, or livestock dealer shall as a condition to its purchase of livestock or poultry, impose, demand, compel or dictate the terms or manner of payment, or attempt to obtain a payment agreement from a seller through any threat of retaliation or other form of intimidation.

(c) *Purchaser to promptly reimburse agents.* Each packer, market agency, or dealer who utilizes or employs an agent to purchase livestock for him, shall, in transactions where such agent uses his own funds to pay for livestock purchased on order, transmit or deliver to such agent the full amount of the purchase price before the close of the next business day following receipt of notification of the payment of such purchase price, unless otherwise expressly agreed between the parties before the purchase of the livestock. Any such agreement shall be disclosed in the records of the principal and in the records of any market agency or dealer acting as such agent.
